

“CHANGE FOR CHANGE”

Baby Bottle Campaign for *Birthright*

The annual baby bottle campaign “**Change For Change**” will run from **Mother’s Day to Father’s Day beginning Saturday May 11th and ending Sunday June 16th**. Please use your pocket change to help change the lives of area women and their families who come to Birthright in Danbury.

Birthright is a non-profit organization that helps women make pro – life decisions during unplanned pregnancies. Your pocket change in the bottle is an offering to families in crisis.

**There is a basket of bottles in the back of the church.
Please pick one up and fill with your loose change and return Sunday
June 16th**
